------	-----------------------------------------------

The Litter Registration has to be sent to our office with your Mating Verification and photocopied pedigrees of both parents after the litter's birth. The respectively applicable breeding guidelines "Deutsche Edelkatze e.V." are relevant. The cat's name and cattery name must not consist of more than 25 characters (punctuation marks, spaces etc. included). 1 box is equivalent to 1 letter/character/space; umlauts are to be written as AO, OE, UE. **The pedigrees are only sent on advance payment (money transfer/ direct debit transfer).**
